Dear Folks:

We are writing a new history of Wasatch County and are in need of pictures of Mary Timpanogos Davidson Horn, the first white child born in Heber Utah and a picture of her husband George Henry Horn.

Could you help us, by allowing us to copy any or all such pictures you may have on these people? We will copy them and return them to you in two weeks.

Also, where could we find a copy of the story of Mary T Davidson Horn's life?

Sincerely,

R RAYMOND GREEN, MD

Enclosed are copies of pictures that I have, but I'm a little hesitant in making the originals. To have copies make that a little expensive, for they make negative than copy.

Concerning Mary Davidson Horn's life we can not help you there, for family never did much talking. I'm assuming they moved to Gridley, Calif. in the mid 1920's.

I would be interested in what you find out ~~for~~ about her life.
